

Consent to be investigated and / or submitted to polygraph test

Introduction

It is a fundamental requirement of NAVIC (PTY) Ltd that all personnel employed at NAVIC (PTY) Ltd and users of NAVIC CLOUD must always be found to show zero deception in applicable tests. This requirement goes to the root of this contract/ agreement between the company and the user is dependent on the fact that the employees / users on this agreement must be free of deception.

This undertaking is an important pledge and is a material term of this agreement. Refusal to undergo investigation is accordingly a serious offence amounting to a repudiation of fundamental terms of the agreement which may lead to termination access to NAVIC CLOUD system.
