

Stop Farm Attacks

Increased safety support with ANPR

#SaferCommunities

By using the NAVIC automated proactive alert system, you as a farmer can decrease your risk of becoming a victim.

NAVIC will assist you and SAPS in the investigation of crime where a vehicle was used.

You will be able to monitor vehicle movement in the vicinity of your property.

Your local security company can be linked with NAVIC.

Automated proactive alert system

Farm attack

Stock theft

Poaching

Theft

Land invasion

By receiving alerts, you can act proactively.
